SECOND SERMONETTE "JEWISH ETHICS"

8:30 P. M. TEMPLE BETH SHOLOM

BE THERE

A Daddy

by JUST A LITTLE GIRL

What is a Daddy? A Daddy is a gift you are given when you are first born into the world. A Daddy is the "bestest" gift that anyone ever gives you. He is a wonderful, special kind of a man, a funny man, kind, genteel, grumpy, outside, he snores, and he might even wear a funny shaped mustache that you make fun of and laugh at, but a Daddy laughs with you, because a Daddy has a great sense of humor. At a most appropriate time of year, Memorial Time, God suddenly became busy, very busy, and needed this Daddy to help him very much, so now, this Daddy that for all of a lifetime you have taken for granted, is residing in the only place a human being like this can reside in when the time comes for there

to be a "forever". that place is Heaven.

You never really know that your Daddy is a gift. You forget the patience he exercised all of those years you spent growing up in a million different directions.. wishing you'd hurry, but you are quick to remember how you thought his code of ethics and way of thinking are terribly old fashioned, and you spend much time wishing he'd hurry and grow up too. You forget how he tried teaching you to add, subtract and spell when all of your teachers had given up on you. You forget the thing he watched you learn with his heart in his mouth like taking your first steps without holding on, trying your first pair of skates, or learning to ride

MEET FRAN COHEN

by Jack Tell

Most women members of a synagogue are active and each contributes a share to the welfare of the Jewish community, but when an extraordinary woman is on hand, the Temple, the congregation and our entire Faith is enhanced.

Such a person is Mrs. Carl Cohen, who puts her heart

and soul into every endeavor she undertakes, with results that are apparent.

Fran, as she is called by everyone in the community, is a hard, sincere and untiring worker, but that's not all. She has the capacity to use excellent judgement in what should be undertaken plus the co-ordinating faculty of being a top-flight organizer. This is an unbeatable combination of attributes that hits pay dirt every time.

She was one of the first members of the Sisterhood of Temple Beth Sholom and her efforts were a large contribution to the growth and progress of the Jewish Community Center. As an
