

Only in Vegas By Helene Stadler

With jobs hard to get for the students home from college, why not consider selling advertising for the best Jewish newspaper in the country namely "Las Vegas Israelite"? Just get in touch with Jack Tell for particulars.

Wow! What a wonderful turn out Hadassah had for the brunch honoring the installation of Officers. They will be guided by President Fran Cohen who incidentally looks very, very well and on the svelt side too. About 200 well dressed and lively women showed up. It was interesting and unusual too to see the husbands of Janie Leonard, Fran Cohen, Reva Schwartz, Ann Rabin and I hope I did not miss anyone else, turn out to witness the installation of their spouse. All of these men work nights and practically got to sleep when they had to get up. What an honor to share this glory with one's dear hubby. The brunch was catered by lovable and popular Sam and Irene Dvorak, may they have lots of success in their new undertaking, a business called "Freddies". Although the meetings will cease for the summer months the activities will continue, that is affairs to raise money for the

various projects, etc. So--- a good summer to you all.
