

## Only in Vegas By Helene Stadler

**GET READY, SET, GO--** B'NAI BRITH WOMEN- Representatives from nine states including Hawaii and British Columbia and Canada will convene in Las Vegas July 19 at the Dunes Hotel. Mrs. Milton Olf of Beverly Hills, convention chairman has planned a most stimulating and closely packed three days of eventful conclave for the more than 500 women who will represent a membership of more than 15,000 B'nai Brith Women throughout district 4.

Mrs. Rudi Hirsh, President of district 4 will report on the proceedings of the Triennial Convention held in Tel Aviv, Israel recently.

Among National leaders, who will be honored are Mmes Moe Kudler. I believe she was president of the National, when I was president of the local chapter, Yes, gals thatsa me and I was a pretty good one too. It was during my term of office that we had 100% paid up membership of over 200 members. Meetings were well attended. It was fun and the women were anxious to meet. It all ended much to soon as my husband passed away during my term of office. Mrs. Zelda Fightlin took over then.

Activities at the convention will include workshops, parliamentary law sessions

and reports on B'nai Brith Bulletins, hospitality and Hilley year round scholarship programs and the most important to my way of thinking, National Anti Defamation progress. The Las Vegas Chapter members headed by Mrs. Murray Artman will hostesses, Mrs. Seymour Buchsbaum will brief new delegates. Mrs. Louis Kash will chairman the luncheon, which will be the highlight of the convention.

Evelyn & Charles Rich resting after a trip to NYC where they visited the worlds fair along with seeing the most popular shows. Charles is a well known executive at the Dunes Hotel.

Parents Attention: If your children have never seen different types of domestic animals here is a chance to show them what they look like. The Jaycees have opened a zoo at Tule Springs. So----take them and have fun. So many parents don't spend too much time with their young ones, little realizing that they grow up so fast.

Very happy to let me readers know that Jackie Mandell is doing very nicely after his heart attack. Jackie is still in the Southern Memorial Hospital, so do drop him a funny card to buoy his spirits. Wife Betty, daughter

Anshuldik me, had no idea that the Chili Skillet would cause the raucous that it did. I had sent in a chicken recipe which contains mayonnaise and altho so many of us make chicken salad with mayonnaise some are averse to seeing it in print, (how hypocritical can one be?) so forget that it was printed. Remind me when I see some of the complainers eating Shrimp or anything else that isn't exactly Kosher to call it to their attention. (Editor's Note: No recipe this week?)

Best warm-weather meal in town, Pat Ginn's Chinese Kitchen, with the new low calorie dish now being prepared for one person. If necessary.
