Jean and Connie Wolzinger returned August 1, from a thrilling tour of Europe and the Scandinavian countries. The girls and their mother, along with a group, left from London and toured the Scandinavian countries for seventeen days. From there they traveled through Belgium, Austria, Germany, Italy, Switzerland, and France for fifteen days; and then back to London. From London they took an eight day boat trip across the Atlantic Ocean to New York, and then on to Washington D.C. for a day, and then back home to Las Vegas. In Jean's opinion the trip was "marvelous, worthwhile, educational, and unusual." Connie said the trip was "fabulous, and I'd like to go back again."
