Mrs. Posin At Nat. Exec. Meet Of Israel Bonds

Mrs. Murray Posin, Chairman of the Las Vegas Women's Division of the Israel Bond Organization, will attend the first plenary meeting of the newly-created National Executive Board in New York City on Thursday September 16th. This will be an all-day Campaign Seminar in which delegates from all parts of the United States and Canada will participate. At that time, the Board will draw up plans for an intensified Fall campaign for Israel Bonds.

Mrs. Jan Pearce, National Chairman of the Division, in announcing Mrs. Posin's selection for membership on the National Executive Board stressed the importance of women's activities in the Israel Bond program. Mrs. Pearce said, "We are proud of the role that has always been played by women in the Israel Bonds and we are confident that, with the formation of this Board, we will achieve still greater success than in the past. The members of the Board, working hand in hand with our Women's Division Chairmen in cities throughout the United States and Canada, will bring new strength to the vital cause of building Israel through Bonds. The growth of Israel's economy is central to its progress as a land of freedom and cultural and spiritual advancement."
