

"I DECLARE" by Claire Dase

Sympathies to Ellie Os-heroff on the passing of her beloved Father, our hearts are with you.

Our sympathies are with the Harry Sobel family. We will miss a great guy. May his soul rest in peace.

The Hoe Shapiros take a trip to L.A. and Faye lands in a hospital with surgery on her leg. It is healing rapidly and glad to have you back.

Our Friend Mr. Stutz of the Golden Girls shop, just getting over surgery. Stay well from now on, please.

Friend Harry Levy limping around with knee trouble. So sorry.

Delighted with a visit from some friends not seen in 13 years. During the course of the evening, was pleasingly serenaded by Sasha Semenov and his boys.

Rabbi Gold has been invited as a Guest Speaker at the University of Judaism, at a citywide meeting to be held at Hollywood Temple Beth El, on December 5th.

Hear plans are being made for a luncheon for college students on vacation. More to come when full details are available.

Teacher Jay Ingerlid sick with the bug. Get well soon. You are missed.

The Frank Coberts enjoyed the nachus of their son Jackie's Bar Mitzvah this past week. Our young friend did a very good job, and despite a cold, came through with flying colors. Pop "Frank" was nervous than anyone else. The Kiddish was a real hamish affaire, with traditional blue and white theme carried out in the decoration. For the evening it took on a different aspect, Gold and green being predominant. The head tables for both occasions were occupied by 25 of Jackie's friends, and Dave Burton skillfully handled the cake-cutting ceremony. Many years of joy to you all.

Bud Schiffman celebrated his birthday this past week.

Have to clarify another situation. The young artist who carried out the N.C.J.W.'s poster, created by Annette Tatic, is a talented

young man of 16, who attends Clark High School. Larry Woo, son of Mr. and Mrs. Eddie Woo, is a very shy, retiring and reserved young man. This "Handicap" has kept his wonderful talent hidden from the public eye unnecessarily. I would suggest that anyone who is looking for a capable person to do work in this field, give Larry Woo a whiel. He promises to be one of the great artists of the future.

Happy birthday to son Phillip, who will be 16 on the 19th, and who plans to celebrate by getting his driver's license.

B'nai Brith's rummage sale temporarily called off, due to some very unforeseen circumstances. A later one is being planned, and members will be notified at that time.

TO THE TUNE OF
"MAY THE GOOD LORD BLESS AND KEEP YOU"

May the good Lord bless and keep you,
Which is what we alway pray,
May you all enjoy this event we gave you today.

May your Temple thoughts be good ones,
Your donations ten times ten,
May we all be friends forever,
And we know we can.

May you always have a check book
May you always have the dough
May you always have a fountain pen
So our Temple will grow and grow.

Fill your thoughts with plans to help us,
Never mind what wan't done
And some day we'll quit "schnoring"
And have only fun.
