Good luck, and I mean much luck to Larry Harmel for his association with the Dunes, managing the new Pan Room.

Mitchell and Dotty Kishner spent the past week with their son and daughter-in-law who are doing a splendid job promoting the theatre to residents in Carmel Valley, Calif and surrounding areas. Ron and Mary give much of their time to producing children shows and touring the schools so that the children can be shown some culture and well as spreading happiness. They operate under the name of the "White Oaks Theatre" It is an all year round project. They produce dramas as well as musicals and the work is carried out mostly by donations from appreciative audiences. So, when in the San Francisco area, do look up this group and let Mitchell and Dotty here in town know what a good job their children are doing.

LEAVE it to Fran Cohen, when she gets on your back to get something done. It just has to be done, whether it is organization work or even taking care of oneself and getting you to go to the doctor. No procrastinations, does this gal go for. What drive.

Mrs. Oscar (Sara) Agron is home after undergoing surgery and is doing just fine. She would like to thank her many good friends for their thoughtfulness, telephone calls, cards, etc., even to asking how daughter Elisa was and could they do anything until she returned to Las Vegas. To quote Sara "This is really a great place to live in because the people are so wonderful." After

all Sara, who could be as lucky as you? By that I mean not everyone has the good fortune of having so many wonderful and sincere friends.

To all you thoughtful people, I want to take this means of thanking you and wishing you (if you have children, too) lots of happiness and good luck when your children find the one person they care to spend the rest of their life with. Yes, we are indeed very happy and grateful. We look forward to the marriage of Michael and Francine, early this fall.

Immediately after Lee Pearson paid her respects at the Max Goot Testimonial Dinner, she joined her family in town to see Cousin Larry Kert's opening in "Tokyo By Night" at the Riviera. Larry starred in "West Side Story" on Broadway.
