

A Nazi Wearing Cleric's Clothing!

From Herb Brin's Heritage

NAZI GETS THE BUM'S RUSH AT NAACP PARLEY
 Cleric-clad Nazi (left) leaped on stage at Statler-Hilton last week to attack Kivie Kaplan, of Boston, national president of the famed association fighting for Negro rights. The leader of the civil rights cause sat imperterbed at vile abuse of the masqueraded Nazi . . . until latter was removed.

RELIGIOUS GARB NOT ENOUGH FOR NAZI
 Snarling with venom and hate, the Nazi is pulled like a dog from the platform—a symbol in action of the bestial legacy of Hitlerian Germany. Right, Kivie Kaplan discusses incident with internationally celebrated author and weaver of tales, Harry Golden, a speaker at the parley.
