(Reva's vacationing in New York so here's a few fill-ins from the rest of the staff -- JT)

Our own darling Eileen Brookman, and her George, just celebrated their 25th anniversary, the same day (July 11) their son Michael turned 23. Just wanted to be sure everyone knows Eileen is running for State Assembly.

From Bob Glinski (he's the man with that delightful foreign accent in the tv commercials) comes word about famous cousins who have

been winter vacationing in Vegas for the past dozen years. It's nice to know that Dr. and Mrs. Harvey Daiell of Milwaukee have purchased a unit at Paradise Spa and spent all their time here furnishing it. The good doc is a consultant for the Chicago Board of Health and V.P., Retired, of Lakeside Laboratories in Milwaukee. Bob is also a state assembly hopeful (who ain't?) but he's got something real charming going for him -- his wife, Ruth.

Temple Men's Club is holding its annual picnic, Sun., Aug. 21 at Maghony Grove, Lee's Canyon area, Mt. Charleston. It is to promote new membership in Men's Club. All old members encouraged to bring guests, especially prospective new members. There'll be sports and social events. Come everyone and join the 200 expected to attend.

Gal who knows her split infinitives and dangling participles is Ruth Forsythe, ad and promotion manager at Ronzone's. Know why? She was merely high school class Valdictorian and editor of U. of So. Dakota school paper.

Don't forget the dedication of the lithium plant at Silver Peak, today, the 12th. Rotary, Lions and Elks, all endorse the new company that will boost Nevada's economy. Gov. Sawyer will be principle speaker. Drive to Tonopah and ask directions to site.

Come home, Reva.

Two Hadassah luncheon parties took place at the Sands Hotel recently, and on both occasions, the setting was the Emerald Room.

President Fran Cohen, personally arranged for both affairs in order to express her appreciation to the active members who were invited to attend.

The August 2 party, honored Executive officers, and Board members old and new. More than 40 women attended.

The delicious buffet luncheon consisted of dishes specially prepared by active members: Winnie Bedol, Madelyn Posin, JoAnne Weiner, Lillian Miller, and Reggie Sickle. The lokshen pudding was delightful, (Winnie's special); the chopped liver was second to none, (honors to both Madelyn & JoAnne); the meatballs were a connoisseur's delight, (Lillian), and last but not least, the jello molds delectable, (Reggie). The food was heated and served buffet style, courtesy the Sands Hotel.

Following the luncheon,

Fran presented special service pins to Board members who had served Hadassah for one year or more, and then introduced each officer, and every activity chairman for 1966-7. Her announcement stating that because of the Chapter's outstanding membership enrollment, (371 members), three delegates had been invited to attend the National Convention at Boston on August 14, brought much applause. The special delegates are: Fran Cohen, Lillian Miller (Vice-Pres. Ways & Means); Dianne Kishner, (Bulletin Chairman).

The August 3 party, to which old and new P.R.A.M.S. (Public Relations & Membership) were invited, was equally well attended. President Fran expressed her thanks to these important Hadassah workers, and stated that they were undoubtedly responsible for the success this Chapter enjoyed. Many new P.R.A.M.S. signed up for the current year, after a short workshop session had been conducted by President Fran.
