EARLE

People in our profession meet the most interesting personalities but sometimes there are exceptions. One of the most interesting and warmest persons I've yet to meet is, Earle F. Thompson, Managing Director of the Minto Hotel and Casino.

Thompson has been with the Del E. Webb Corporation for nearly four years.

Prior to his appointment at the Mint Hotel last March, Thompson was General Manager at the Thunderbird Hotel. His promotion to the Thunderbird Hotel brought him to the position of General Manager of Del Webb's Kings Inn Hotel located next door to the U.S. Manned Spacecraft Center at Clear Lake, Texas. The promotion

to Las Vegas brings for Thompson an exchange of the space age Texas environment for a blaze of Las Vegas Neon Color.

It's the story of his life. Since boyhood, the native Kentuckian has worn a hotelman's shoe. He managed the Tideland Motor Hotel, Tucson, Ariz.; the El Antonio Hotel and Country Club, San Antonio, Tex.; the Virgin Isle Hotel on the Virgin Islands; the 800-room Mayflower Hotel in New York and the Sulgrave Hotel on Park Ave., also in New York. He served as general supervisor of the Handerly Hotel
