Reva Schwartz

Glad to hear the LV police are on their toes, having picked up a suspect in the burglary of Preston and Evelyn Feinberg's home.

Happy news for Iris Fields daughter of Florence and Irving Fields. Her engagement to Stuart Harrison of Baltimore was announced at a cocktail party held at Caesars Palace. The wedding is planned for mid-March.

Encine, Calif., will be the new home of Elaine and Art Turk and their family, after many years as residents here. Much good luck.

So sad to hear of the

death of Martin Murphy who was felled by a sudden heart attack. Our sincere condolences to his widow, Rose and to their children, Cheryl, Tracy and Timphy.

Faye and Joe Shapiro (Shepard Press), are happy to announce the arrival of their tenth grandchild. After four boys, their youngest daughter Barbara and her husband Sandy Dorman finally have a little girl and named her Pamela Sue, Mazel Tov.

It's happy anniversary time for some young lovers like Shelly and me, and dear friends Gloria and John Rieble. They celebrated their 5th doing the town up and then returning for the 6th time (It works out right!) to the same room at the Riviera where they spent their honeymoon.

February 8 and 0 at 8 p.m. will be the date of B'nai B'rith's Leadership and Philanthropies Workshops. Mrs. Larry Fishman, District 3 V.P. will conduct both sessions. Wednesday's leadership course will be held at the Nevada Club where hors d'ouves and coffee will be served and the admission is \$1. Thursday evening's session will be held at the temple and films and slides will be shown. The community is cordially invited to attend either or both sessions, and observe the work done by B'nai B'rith.

So many were disappoint-

ADL RAPS NAZI TALK AT IDAHO U.

by Harvey B. Schechter (ADL of B'nai B'rith)
 We have previously reported speaking invitations by college students extended to and sought by George Rockwell, self-styled Commander of the American Nazi Party.

Rockwell's appearances on college campuses throughout the country have caused some difficulties because of the publicity which usually accompanies such affairs.

The newest development comes from Idaho State University in Pocatello where the Student Social Committee initiated steps to invite Rockwell to speak on that campus on February 22nd, Washington's Birthday!

Rockwell asked for a fee of \$150 to cover his appearance and "police protection."

Even more incredible than this verbal desecration of the birthday of George Washington, the man who urged this nation to give bigotry "no sanction," is the resolution adopted last month by the Idaho State University Student Senate, inviting groups such as the American Nazi Party and the Communist Party to organize campus chapters!

One is given to wonder whether the Student Senate is ignorant of the book-burning of the totalitarian states, the substitution of the jack boot and the pictol for the academic robe and the textbook which took place in Nazi Germany, or the jailing of Soviet authors Daniel and Sinyevsky for writing volumes critical of the regime in power.
