JACK

It was the most inspiring night in our entire life. Never before had we ever felt the slow mounting charge of electrifying animation that caused our spirit to glow brighter and brighter to the saturation point where we almost burst into uncontrollable emotion.

We were never more proud of being a Jew.

We know we are violating the oldest adage in newspaper reporting by the above lead. The more majestic the event, the simpler the introduction. Didn't the greatest story ever told begin with: "In the beginning God created the heaven and the earth"?

An overflow audience jam-packed the large Sands grand ballroom on Monday evening to attend the rally to support Israel. They came from all walks of life. They weren't there to be entertained. They showed up to give, and they gave and gave until the Las Vegas quota of a half million dollars was achieved.

Jack Entratter, Al Benedict and Hank Greenspun were co-chairmen, with Al Freeman, spokesman for the hastily organized event. The clergy of all denomination turned out in force. There were political dignitaries and stars of the entertainment world. Gov. Laxalt flew in especially from Carson City.

We could never cover the entire list of all who donated

The soul of the Jewish people has been stirred to its very depth as never before.

which was thrust upon our Israeli brethren has had a fantastic rallying effect on Jews everywhere. There is no panic, only concentrated action, unification of purpose and renewed dedication for the common good of the valiant people of Israel. Jews throughout the United States are supporting the people in Israel with the greatest outpouring of money ever witnessed since the birth of the new state, Israel. The need is so great that it staggers the imagination. Yet the dedication to the welfare of Israel continues to multiply; and rally after rally throughout the United States, one greater in scope than the other, has shaken up freedom loving people everywhere.

Israel's magnificent victories in battle are the result of a selfless responsibility to duty and the will to survive. Every able bodied person in Israel is involved in the Israeli defense forces. This time, God willing, will be the last time that Israel will have to face tyrants and persecutors on the field of battle. We have read the reports in the newspapers and we have seen the programs on TV, and our hearts swell with pride in the accomplishments of Is-

rael's defence armies. Never before in history has there been such a magnificent military miracle. The determination of Israel fighting men is truly inspirational. Who can better understand this feeling of total willingness to sacrifice than the Jewish race?

Therefore, this is no time to quibble about what we are called upon to do. Not to sacrifice our lives or properties, but to give of our material wealth which God has seen fit to bless us with. Israel's fight is our fight! It is the struggle of every Jew everywhere. Once and for all we must help see to it that Israel is allowed to live in peace and dignity with the stature given to every other sovereign state in the brotherhood of nations. Emergency funds have been called for. As I write this column, plans have been formulated to hold a great rally at our Temple, at which time we will pray for our brothers in Israel. Monies given to Israel's cause now, can never be more meaningful and helpful. I appeal to those of you who have not yet given, to do so now! I appeal as well to the hundreds who have already given, to give again. The Jewish appeal office for emergency funds can be reached at 734-1203, or just call our Temple at 384-5070 and let me know that you are a part of this campaign. It is inconceivable to me to think that any freedom loving individual would not willingly and happily contribute as much as possible at this time.

COMMUNITY WIDE MASS RALLY FOR ISRAEL MONEY

We urge fervent prayers for PEACE in the Middle East. The Holy Land and its shrines, sacred to people of many faiths once again are in turmoil. People are suffering and dying. We earnestly desire peace. Your Pastor, Father Toomey supports the cause of Israel. We believe the Jewish People of God have been wronged historically, and in the present instance are justified in their action. A cease fire will not solve the Middle East problems. The decisions of the Conference Table must be just. This quick war has left Israel bankrupt; food supplies are depleted. It is harvest time and there are none to reap the fruits of the fields. We urge your attendance at a Community Wide Mass Rally for Israel on Monday evening.

(EDITOR'S NOTE: AMONG THE EVENTS OF THE PAST FEW WEEKS THAT ARE EMERGING WITH VAST HISTORICAL SIGNIFICANCE, THE STATEMENT OF ISRAEL'S FOREIGN MINISTER ABBA EBAN TO THE UNITED NATIONS SECURITY COUNCIL ON JUNE 6, 1967, WILL GO DOWN IN THE ANNALS OF POSTERITY, ALONG WITH LINCOLN'S GETTYSBURG ADDRESS AND PATRICK HENRY'S "GIVE ME LIBERTY OR GIVE ME DEATH." THE LAS VEGAS ISRAELITE IS PROUD TO

PUBLISH THE FULL TEXT OF MR. EBAN'S ADDRESS.)

Mr. President: I have just come from Jerusalem to tell the Security Council that Israel, by its independent effort and sacrifice, has passed from serious danger to successful resistance.

Two days ago Israel's condition caused much concern across the humane and friendly world. Israel had reached a sombre hour. Let me try to evoke the point at which
