"BIG JOHN" MOWBRAY

'FROM THE HEART'

of

Jack Entratter

5-Term President of Temple Beth Shalom

I am informed that unfortunately there are still some members who have not sent in their Fair Share Dues Plan pledge cards.

Last year at this time, we were in the midst of the High Holidays. This year, because of the leap-year on the Jewish calendar, the High Holidays are a bit later than usual, beginning on Wednesday evening, October 4, 1967. Notwithstanding this fact, before we know it, the next few weeks will be gone, and the High Holidays will be here. Too many people have the bad-habit of putting off their Temple commitments until the very last moment. This creates difficulties which are totally unnecessary. Our office and staff want very much to please each and every member, to take care of your needs, including seats for the High Holidays. This can only be done properly, if you inform our director of your exact needs.

This year, with the establishment of the Fair Share Dues Plan, it simply means that you must fill out and return your pledge card beforehand. Since your pledge includes one or two seats in the Social Hall, depending on whether you are a single member or family membership, you need only inform Mr. Wilner whether or not you require any seats. It's that simple. Your personal interest and cooperation is all it takes. Everyone wants to be of service to you. Give them the opportunity to do so.

I must comment on the Fair Share Dues Plan to date. In response to my inquiry, I have learned that a great proportion of our members have voluntarily increased their annual dues after the self-evaluation which the plan calls for. Let me assure you that I do not know - nor does anyone else who gave how much. The matter of giving a fair share is strictly personal, and the Temple will keep its promise that all pledges are held in the strictest confidence. Our Executive Director, (Continued on Page 2)

TELL TALES

"One Man Plus The Truth
Constitutes A Majority"

"Big John" Biggest Man

JUDGE MOWBRAY

If you have ever known a man of compassion, with understanding for others, you are indeed a fortunate person. If that man of compassion also is endowed with sincerity, your friendship is gilded with an added bonus. If the compassion and sincerity is accompanied by integrity, no one need ask for more.

John Code Mowbray has these attributes and many more. Not just for particular occasions, not under prevailing circumstances, but on a 24-hour basis.

While covering the court house beat as a news reporter this writer was fortunate to make the acquaintance of Judge Mowbray serving as District Court Judge. As the acquaintance developed into friendship, we realized his depth as a human being without peer. No higher manifestation of total character exists anywhere. We know, we saw him in action on the bench, presiding at National Conference of Christians and Jews meetings, on the Boy Scout Executive Council, as President of City of Hope, and Grand (Continued on Page 3)
