The plan is an excellent one. Not only is it traditional to give according to one's means, but it is the one certain way of eliminating the need for appeals from the pulpit during the High Holidays. We kept our word last year and will keep our word this year - there will be no appeals from the pulpit. But your personal help must be forthcoming if we are to maintain this fine level of dignified services.

The eventual success of the Plan lies in our hands. Be sure to send in your pledge cards. And perhaps most important of all, if you know non-affiliated families, get them to join up. Every Jewish family CAN afford to BELONG to the Temple! In all truth, they CANNOT afford NOT to belong.
