'SHOWCAST OF THE STARS'

PROFILES

by Percy Villa

CLAIR ARNOLD LEWIS is my 'Profile' for today but he's better known as **CAL LEWIS** to the many who know him.

Up until six months ago he was with First Western and from there he's become the newest member of the New York Stock Exchange, **SCHWABACHER & CO.**

If he sells only to one-half of the friends who promised to buy stocks 'n funds - he some day will be a rich man. ("What I need is new friends. I promise to keep the old ones.")

Cal, comes from Minneapolis (my former home) and has been a local resident for little more than two years. He claims its a good place to come from. (We have something in common there) He was born in Austin, Minnesota.

He is 6 feet tall and weighs an even 200 pounds. He has rimmed glasses and brown hair and eyes.

He married the former Phyllis Goldberg of Beverly Hills, 5 years ago.

They have two beautiful children, David Anthony 3, and Windy Susan 7 months.

He is continually in good humor. Those who know him well have never seen him angry.

Cal has a good appetite and enjoys eating. He particularly likes steak, and lemon pie. He watches his diet. He polishes every meal off with a half a grapefruit.

Graduated from the University of Minnesota in '59, he majored in business administration; was a member of Sigma Alpha Mu Fraternity; was on the swimming team for the University of Minnesota, and also played football, hockey and volleyball.

His hobby is collecting coins.

Cal holds a commission as Captain in the United States Army Reserves.

He is a member of the Saints and Sinners, Temple

Phyllis is an active member of the Hadassah and the Temple Sisterhood.

Even though he hasn't been back to Minnesota in more

than two years he's still a Viking and Twin fan.

His height of ambition is to go fishing and water skiing for two weeks.

He is always well-dressed, although he claims he doesn't care about clothes and doesn't pay much attention to them. He has a special fondness for ties.

Cal likes to travel and hardly a month goes by when he'll pass up a trip to Los Angeles for some sporting event.

He is a person of determination. He became a stock broker and talks with great confidence.

He sizes up people on first meeting and usually guesses right.

He eats what he wants. He never craves rich, fattening foods. He likes to eat lightly, but often.

He is cool and logical at all times. He prefers an evening with friends where the conversation is argumentive.

He is a voracious reader and buys books the way children buy bubble gum.

Every morning at 7 he can be found at his desk with a couple of telephones near-

by.

He speaks well of all his co-workers (and he hopes that they speak well of him).

He argues and vehemently, for what he believes in. He doesn't hold grudges.

He sleeps in a large double bed. ("I spend plenty of time in bed, so why shouldn't it be comfortable?") He sleeps in the raw. And usually reads himself to sleep.

The Schwabacher & Co. and its staff are happy with Cal Lewish - and why not - he's a nice guy.
