### Paradise Spa "Liquid Assets"

Residents and guests of Paradise Spa enjoy its year-round "liquid assets" according to general manager Charles Martin.

The Spa, located at 9457 Las Vegas Blvd. South features two swimming pools, whirlpool and sauna baths and a scenic, winding lake.

"Paradise Spa has often been designated as an oasis in the desert, and our supply of bubbling mineral water reinforces that belief," explained Martin.

Spa dwellers may go horseback riding, play volleyball, pitch and putt golf, badminton, tennis and take advantage of the Tropicana's 18-hole championship golf course.

To unwind after such activity, guests and residents benefit from two health clubs with a professionally trained staff, and a fully-equipped gymnasium.

As little as \$300 down will

purchase a home at the 300-acre resort community, reports sales manager Bob Rohlman.

"Our staff is always available to conduct tours and explain the advantages of Paradise Spa," he points out.

"And now homes are available on a rental basis, at reasonable rates, by the month or for vacation use."

Spacious one, two and three bedroom homes may be purchased for as little as \$13,750. Every Spa home includes carpets, drapes, airconditioning, stove, refrigerator and is carefully landscaped. Tiresome chores are a thing of the past.

More and more people are buying a home at the Spa as a second residence.
