

Barney Glazer In Hollywood

Rose Marie's fiance, Mogens Hilborg, hotel executive, isn't Jewish. That's a Danish name. No, his middle name isn't David... Why doesn't someone write an honest and frank travel column and title it: "Tsouris in Tourism"?

Martin Landau, co-star of CBS-TV's Mission: Impossible, didn't even blink when advised that his current script calls for him to portray Adolf Hitler.

Actor Stephen Hill, whom Landau replaced, is Jewish as is Landau. Hill, it may be remembered, allegedly delayed production by insisting that because he is a strict orthodox Jew he leave the set before sundown. He also refused to work on major, minor and practically unknown Jewish holidays. Landau agrees on the major holidays absence but certainly not on the pre-sundown quitting time or the

remaining holidays. So, like other Jewish actors and actresses on TV shows, he presents no particular problem to the Mission.

HERB ALPERT gifted the Israel Emergency Fund with \$250,000 during the first Arab - Israel skirmish. Since then, the talented trumpeter has helped raise many times his original donation . . . Are you watching ABC-TV's Garrison's Gorillas? Christopher Cary portrays a character named Goniff. His specialty? Second - story burglary. Of course, of course. SHECKY GREENE said it -kiddingly, of course- during his Riviera Hotel, Las Vegas, engagement: "Skimming off the top? Don't you believe it. They skin from the middle, from the bottom, but from the top? Never"... Shecky said he was called before the Grand Jury to answer a few questions about anything he might know of skimming. A juror named Gimbel asked Shecky, "What is your name?" Shecky said he didn't feel like talking because he didn't know a darned thing about skimming anyway, so he told Gimbel, "My name is Macy." "Why do you say your name is Macy, Mr. Greene?" asked the juror. Replied Shecky, "Because Macy never tells Gimbel."

Shecky has a penchant for getting into trouble with Las Vegas' finest. "I was arrested on a drunk charge by an Arab cop," he protested. "I know he was an Arab because he put me on the back of a camel and made me listen to Danny Thomas records

Ambitious, pleasant school year ahead - with a dedicated staff of teachers and consultants - organized in every phase with a full curriculum. Mary Talbot is already performing wonders with her arts and crafts at all three sessions every week. Mary Aaronson is conducting regular and truly helpful teacher - orientation session so that lesson plans and necessary teaching techniques are shared. She is teaching our children the Jewish music and song - which is enjoyable and meaningful. Leon Freedman will

After covering the Hollywood and nightclub beat since 1929 and exposing myself to the comedy of the greatest, I must confess that my sides have never really known the true meaning of ache until I started listening to and watching Shecky Greene's comedy. It is both visual and audible. It is most unusual. It is devastating. It hurts me!

THE RUMOR persists that someone or an organized group is deliberately waging a smear campaign against Barbra Streisand in order to force 20th-Fox to cancel her scheduled starring role in "Hello Dolly!" Richard Zanuck wants the smearers to know that they're wasting their time. He has been enthusiastic about Barbra from the beginning, in spite of an admission that her youth doesn't fit the role exactly. Makes no diff to him.

once again give the Temple School his experience in Hebrew dance instruction.

Planned also are the Hebrew School Sabbath Suppers with the Rabbi, Havdalah and Saturday afternoon "Seudat Shilshit", a post-Bar Mitzvah study session, a Bat Mitzvah class to begin soon, and the Adult Education Sessions again this year. Special school parties and programs for most of the holidays are on the School Calendar.

We are proud of Asher Morvay Avraham, Kronick, Yechiel and Davod Silverberg for the way they led the Junior Congregation service during the Holidays. They were very ably supervised by our teachers: Rohn Goldstein, Terry Matzkin and Leonard Adin.

Our Kindergarten class has grown to seven children under the direction of two new teachers, Linda Renwich and Marsha Heaney. Mirian Lewis, new also this year takes over one group of Hebrew students.
