

PARADISE SPA 50% OCCUPIED AND GOING STRONG

A population explosion is taking place at Paradise Spa as sales and rentals have passed the halfway mark at the 400-home resort community located at 9457 Las Vegas Blvd. So.

More than 200 of the one, two and three-bedroom units are now occupied, according to Spa general manager

Charles Martin.

Clustered around a picturesque man-made lake, the attractive homes have proven popular with Las Vegas and out-of-town visitors alike, he points out.

"Many people have vacationed here and wound up as full-time residents. Once they get a taste of the well-

rounded recreational life we have to offer, they often decided to make Paradise Spa their permanent home," says Martin.

Such attractions as three large swimming pools, horseback riding, a spacious clubhouse with color-TV lounge and arts and crafts areas, volleyball and tennis

courts, theatre auditorium for dances and the Spa's two spacious health clubs have drawn many homebuyers
