

MERKLEY JOINS SPA STAFF

Irene Merkley, formerly in real estate sales in Las Vegas, has returned to this community as a member of the Paradise sales staff, according to sales manager Bob Rohlman.

Many Las Vegas may remember Mrs. Merkley as a past resident in 1963 and 1964 when she was active in subdivision sales here.

Mrs. Merkley was a real estate broker in Alaska from 1950 to 1956, has resided in Southern California from 1964 until the present time, and is originally from Beaumont, Texas.

She has returned to Las Vegas to devote her energies to sales at the multi-million-dollar recreational community.

Jack;

How could you? That neither of my Granddaughters won, I could easily explain by the simple expediency of declaring you unfair — but that you should be guilty of the unkindest cut of all — that they lost because of me, must be listed among the most famous fouls — why hold it against Janet and Lauren?

Of course, I appreciate the Israelite's high honor but didn't you do the choosing? Could this be the high handed reason for the bestowing this accolade?

Thank you for being the type of Giver you are Mr. Big Chief Tell — you are indeed the meanest man in the world — now superceding the man who gave his child a quarter to go to sleep, stole the coin during the night and in the morning gave the child a spanking for losing the quarter.

Yes, you make that man look like a benevolent benefactor by comparison to Tell the Tyrant.

Not Yours Truly,
Kay

Dear Kay:

I want to take this opportunity to express my heartiest congratulations on your selection as "Woman of the Year" by the Las Vegas Israelite.

I can think of no one more deserving of this honor, and I only hope the future brings you continued success and recognition.

With kindest regards and every good wish for a Happy New Year, I am

Sincerely,
Howard W. Cannon

half of the Israel Bond Dinner.

You have again earned my heartfelt gratitude for your work behind the scenes as well as for your headlines.

For all this and more, I remain

Sincerely yours,
Kay
