Temple  
Emanu-El

Report from Hebrew School..  
by Jack Paul

Mary Talbot's Arts and Craft class is putting the final touches to the spice boxes that each child has been preparing. Mary is planning the final touches to the spice boxes that each child has been preparing. Mary is planning to have the children make a relief map of Israel during the month of December.

Our kindergarten has grown to 10 children, making it I believe, the largest kindergarten class in the history of Temple Emanu-El.

The dance classes are continuing each Sunday under the capable leadership of Leon Freedman; and by Channukah, the children should be able to dance many new steps.

The annual Channukah party will be held on the first night of Channukah, Dec. 26 at 7 P.M. at the Temple.

This year is passing very fast and our first semester is drawing to a close. Instead of issuing report cards we are going to have a children's report to the parents. This will take place on January 7, 1968.

BRISS-PIDYON HABEN..

Arron Jacob Silverman, son of Gary and Pam Silverman, had his BRISS performed by our own Dr. Berger last month. Mildred Blatt, Rae Gurvitch, Etta Cauble, Diane Neiman, Helen Romaine and all the other wonderful Sisterhood members made this a truly gala MITVAH gettogether. The "PIDYON - HABEN" (redeeming of the First-Born Son) was performed by Al Wagner, our KOHEN and Past President.
