

JEWISH NEWS BRIEFS

NEW YORK (LNS) - Tens of thousands of Jews in communities throughout the world will festively mark the 169th anniversary of the liberation of Rabbi Schneur Zalman of Laidi from Czarist prison, on the 19th day of Kislev, this year on Thursday, December 21.

NEW YORK (LNS) - A unique weekend of seminars will be held at the Lubavitch Center in New York, from December 22 through 25, for hundreds of college students from colleges and universities in the United States and Canada. The annual event, known as 'An Encounter With Ghabad,' will offer many of the students their first opportunity to be in a religious Torah oriented atmosphere and to experience the warmth and inspiration of Chassidism.
