

ISRAEL HONORS SUB DEATHS

JERUSALEM (WNS) Dual memorial services were held here for Israel's missing war dead on land, air and sea and for the sixty-nine officers and crewmen who perished on the missing submarine Dakar. In tribute to the memory of the missing seamen, Knesset held a special mourning session that was attended by President Shazar. The event was also

marked by a special session of the Cabinet, at which Premier Levi Eshkol issued a message of condolence to the families of the missing crewmen.

In addition, services for the missing men were held aboard the destroyer Yaffo.
