## REPRISAL RAID NECESSARY

JERUSALEM (WNS) Premier Levi Eshkol, reporting to his Cabinet on last week's operation against terrorist bases in Jordan, asserted that the huge arsenal of weapons found at the Karameh-

base "confirmed the need for this timely deterrent and punitive action."

The Arab guerillas, he said, were planning a large-scale campaign of terrorism against Israel and the de-

struction of the bases served to disrupt those maneuvers.

Jordon had claimed that Karameh was not a base for terrorists but a refugee camp, but the operation showed that at least 1,000 terrorists were using it for

a base. This was evidenced by the uncovering of huge quantities of ammunitin, guns, explosives and other weapons.

## HOCKEY BIGOT

TORONTO (WNS) Clarence Campbell, president of the National Hockey League, has disclosed that he had received affidavits from two spectators confirming the charge by Larry Zeidel, lone Jewish hockey player in the league, that he had been subjected to anti-Semitic slurs from the bench of the Boston Bruins.

The affidavits are said to pinpoint the incident, naming the players involved and the anti-Semitic obscenities they hurled at Zeidel.

Reacting to the development, the Canadian Jewish Congress commanded Mr. Campbell for launching the investigation and voiced hope that it "be an exhaustive one so that all facts may be available to the public and every step taken to see to it that such occurrences will never again happen."

LONDON (WNS) Poland's drive against alleged Zionists has been extended to Jews in the armed forces.  
BONN (WNS) A call on West Germans to enlist in the fight against Israel appeared in the neo-Nazi and anti-Semitic newspaper Deutsche National and Soldatenzeitung.  
JERUSALEM (WNS) Security police in Hebron have arrested more than twenty Arabs suspected of engaging in terrorist activities.  
WASHINGTON (WNS) A call on the governments of the United States and Poland to help expedite the emigration of those Jews in Poland who may indicate intention to leave the country was sounded here by the American Jewish Committee in meetings with the Polish Ambassador to the United States and State Department officials.
