

# OF THE STARS ★

Phillips Home Builders, Reynolds Electric and Engineering and E.G. & G. Inc.

He is extremely loyal. He has never knowingly betrayed a confidence. He expects everyone to be the same way.

He believes his character weakness is that he trusts everyone.

He likes most everyone he meets and he trusts everyone he likes.

He usually walks fast. He appears to be running. He works hard, although he seldom gives the impression he is working.

He likes casual clothes. He usually wears slacks and open-neck sports shirts, which he has specially tailored. ("When I dress up I'm told that I look like a Madison Avenue ad executive.") Which he is!

He unenthusiastically in-

dulges in setting-up exercises when he thinks about it, and smokes a pack of cigarettes a day.

He is an apt pupil at anything that intrigues him. He likes people most who can contribute something to his knowledge.

He is very punctual. He keeps his promises. He never belittles his business or co-workers ("I'm a

worker and a boss, but I'm also in business like anybody else.")

It was indeed a pleasure meeting ROBERT J. FENTON of the FENTON Advertising, Inc. He likes money and he admires success and he is trying for both.

He's a sure winner, and Las Vegas is a winner by his settling among us.
