

Only in Vegas

Time goes quickly. Just about ten years ago Mrs. Reuben J. Lockitch was appointed president of the Rose De Lima Hospital Auxiliary.

On my return flight from N.Y.C. where I spent my vacation, I met Bobbie Fields and her house guest on the plane.

John and Maxine Quinn, busy entertaining guests from their home town, Omaha, Nebraska. The gals are Mrs. Lee Bernstein and Mrs. Milard Margolin who is also president of the Omaha Chapter City of Hope. This is a first for both of them and they are certainly enjoying everything about our wonderful city.

Happy birthday to: Wilma Stone, Patsy Goldwater, Joe Pielte, Amy Engel, Ada El-lenson, also Betty Spindel who no longer resides in Las Vegas and Claire Dase.

Anniversaries greetings: Evelyn & Lenny Shafer, Evelyn & Preston Feinberg, Jack & Bea Tell, Edith and Louis Govendo, Ida & Samuel Horowitz, Shirley & Elmer Weiss, Selma & Harry Fightlin, Kim & Danny Drantz, Marie & Wilfred Newman, Betty & Victor Schatz, and Edith & Mark Bravo.

NEW VEEP AT SOUTHWEST GAS

Charles H. Ward, 40, was elected by the Board of Directors of Southwest Gas Corporation as a senior vice president in charge of engineering, construction and transmission operations, W.M. Laub, president, announced today.

C. H. WARD

Laub said that Ward's appointment as senior vice president is a newly created position, necessitated by the company's growth. His responsibilities will cover the natural gas utility's system-wide serving areas in Nevada, Calif., and Arizona, reporting to John L. Holleran, executive vice president.

Ward's prior experience includes Phillips Petroleum Co. from 1951 to 1956, Williams Brothers Co. from 1956 to 1961 and Northern Natural Gas Co. from 1961 to 1968.

He received his B.S. degree in Electrical Engineering at the University of Kentucky in 1951 and a Master's degree in Industrial Engineering and Management from Oklahoma State University in 1955. He completed one year at the University of Tulsa Law School.

Ward also attended the following advanced study courses: Harvard Math Concepts in Business, management course of the American Management Assn. Brookings Institute and the Kepner-Tregue course in Princeton, N.J.

During World War II Ward served in the U.S. Navy. He and his wife, Jean and 7-year-old son will reside in Las Vegas. He also has a married daughter, 20, who lives in Ft. Knox, Ky.
