I am proud of our Temple Board, for they have expressed their faith in the future of the Jewish community of Las Vegas and in the continued growth of Temple membership. I too have faith in the future, and I want the Board to know that I stand squarely behind them and heartily endorse their actions in behalf of the members of Temple Beth

Shalom. From time to time, improvement of the facilities is a necessity, and additions or changes only manifest the progress being made. New thoughts and new ideas will always be welcome. Our Temple family organization can stay vibrant and alive, only with the implementation of good new suggestions made to and by the Temple board.

I can think of no better way to show our board that **IF YOUR BUSINESS CANNOT AFFORD TO ADVERTISE THEN ADVERTISE IT FOR SALE IN THE LAS VEGAS ISRAELITE.**

we are grateful for their dedication, than by making our personal dues pledge for '68/'69 a maximum one, not a casual or minimum one. I respectfully call on all our members to carefully evaluate their personal circumstances, and then give the Temple the maximum amount possible. I have been and still am very proud of the fact that we have no assessments, taxes or building funds forced upon our members. This is almost unheard of in this day and age of Temple financing. An honest response from the membership will guarantee that

this policy will continue. All members have received their pledge cards by now. I hope you will see to it that yours is sent back before the end of this month.
