

OF THE STARS' ★

He can sleep either days or nights. In the past 20 years he has never had set sleeping hours.

He is 5 feet, 7 and a half inches tall and tips the scales at 160 pounds. Marty hasn't had a hobby in years.

He is considerate and punctual ("I hope all my

employees read this. It's terribly important, after all service is a big factor in our business.")

He is basically a shy and modest person. He can be curt and outspoken. ("I don't like people to take advantage of others, especially when they're in a position to do

so.") Once he opens up he becomes very warm and friendly. And when he becomes your friend, it's for keeps.

At Marty's Carousel once again there is that warm and friendly feeling, go there soon and see if I'm not right.
