Very happy to learn that Renee Taub (Moe) is doing so well after serious surgery. She is up and around, and I can bet very few know of your illness Renee. So please forgive the neglect and absence of cards.

Congratulations to the following women who sold or

Steven, son of Mr. & Mrs.

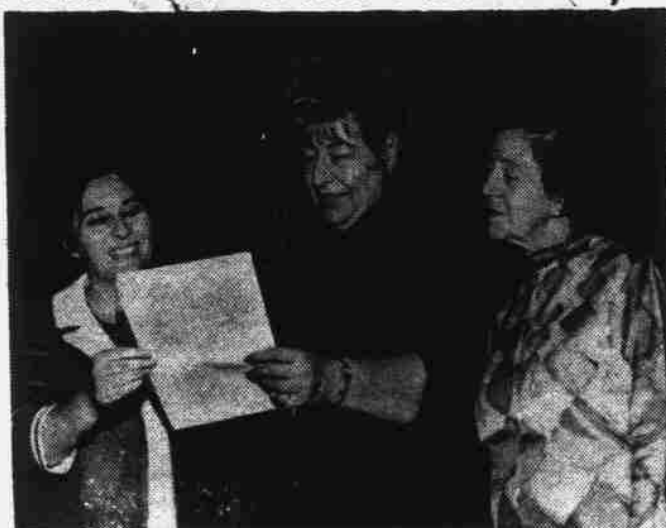

David Cohen, became a Bar Mitzvah. His parents hosted a kiddish immediately after the ceremonies in the beautiful social hall. Mazel Tov.

We in Las Vegas should be very proud of Ceil Goldfarb (daughter of Dan & Annette), who is a junior at San Fernando Valley State College and President of her Sorority A. E. Phi. She was nominated for "Whose Who" among students in American Universities & Colleges.

Now its the Hong Kong flu that is going around. At the first sign of a chill, ache and a general let down, get in touch with your Dr. and save yourself much misery.

Hy Ides home after being hospitalized with the above flue.
