PROFILES
by Percy Villa

At long last, today's 'Profile' goes to my friend of long standing and I question if there is another more notable Las Vegan than ROLAND L. HILL.

He is well known in just about every state in the Union. I have known him for some 20 years, many years before our moving to the best city of 'em all. During the summer months he spends his time at Mora, Minnesota (about 60 miles

out of Minneapolis.) In many way I can't blame him as his beautiful home is located on scenic lake Ann. And his house is really something to write about.

He was born in Dawson, Minnesota on September 1, many years ago. He graduated from Dawson High School and Long Beach State College, Long Beach, California, after attending 10 different colleges, including the University of Norway at

ROLAND

Claims to have traveled more than 2 million miles in this country and abroad.

It was he who named "SEE AMERICA FIRST" by a President and numerous other government officials.

He is kind, generous and most gracious.

He loves to write, either books or columns. He is the author of the following books: Living The Life Of Rolly, I Recommend, In Las Vegas I Recommend, In Long Beach I Recommend, In Minnesota I Recommend, Hillsway's Guide to Las Vegas, The Best of Hillsway and just the other week he completed Hillsway GUIDE to Las Vegas. A must reading of all the eating in town and Chefs of famous hotels as well as recipes from them.

He is a lifelong Democrat and was a friend to many Presidents. He is always a guest to Vice President Hubert H. Humphrey.

Roland sleeps in a medium - size bed and never has any trouble falling asleep. He sleeps in pajamas, both tops and bottoms, He must have two pillows. ("Yet in the morning I wake up clutching one of the pillows, thinking it's Brigitte Bardot.")

He is considerate and punctual. ("It's a joke. Friends say they set their watches by me.")

He is loyal. He has known the same people for years

Oslo.

I was always given the impression of knowing many faces and people but whenever I go to lunch or dinner, with him only then do I realize that he says 'hello' to a least a dozen folks compared to my one.

He was a columnist for the weekly magazine FABULOUS for 20 years and never has written a harsh word about anyone. The other week he started doing two columns for THE LAS VEGAS VISITOR and also does a weekly column for the AIR WEST VISITOR. Both mags are a credit to our city.

He is 5 foot, 10 inches tall, all gray hair along with blue eyes.

His hobby is making friends (making 'em happy) writing and traveling.
