## ISRAEL'S RETALIATORY RAID

# 150 MILES INSIDE EGYPT

### JWV PLANS FOR VETERAN'S DAY

LOS ANGELES: - Veteran's Day on Monday, November 11, will find the Jewish War Veterans of the United States participating in various types of programs to commemorate the 50th Anniversary of the original Veteran's Day -- the cease-fire between the Central Powers and the Allies which marked the World War I armistice.

The major public event is the annual Sacred Torch Ceremony in the Court of Liberty, Forest Lawn - Hollywood Hills at 11:00 a.m. Three such ceremonies are held throughout the United States -- in Arlington, Virginia; St. Louis, Missouri, and Los Angeles.

The County of Los Angeles will hold its annual Veteran's Day program at the Sports Arena under the direction of Supervisor Kenneth Hahn, Chairman, County Board Military and Veteran Affairs Committee, National Executive Committeeman Herbert F. Rosoff will represent the National Commander of the Jewish War Veterans.

In Orange County, Joseph Lichtenfeld, Orange County Post 760, Jewish War Veterans, is Chairman of the annual Regional-wide Veterans' Day Parade which will march down the Main Street of Santa Ana on Sunday, Nov-

ember 10, at 2:00 p.m.

The Long Beach Veteran's Day Parade will find William Davis, Commander of JWV's Post 593 and the United Veterans' Council, in the lead.

A special Friday night service will be held November 8th by the Beverly-Cheviot Hills Post 713, Dan Finkelman, Commander, in cooperation with the other echelons at Hollywood Temple Beth El, Fountain and Crescent Heights Boulevard, Los Angeles.

JERUSALEM (WNS) -- Israelis have mixed feelings of pride and uneasiness over the daring commando raid their forces made into Egypt in retaliation for the continuing Arab commando incursions along the Israeli-held eastern bank of the Suez Canal.

The Government said the attack on two bridges and a transformer station on the Nile River 150 miles from Aswan and more than 200 miles from the nearest Israeli base was made to demonstrate to Egypt the army's capability in this type of

warfare and to underline the dangers of violating the cease fire such as the Arab nation did in recent artillery attacks and air incursions.

The Defense Ministry did not release any information on the number of soldiers involved in the raid or how the mission was carried out. (In Washington United States military sources said the operation was probably a large one and must seemingly involve some air cover.) Israelis acknowledge that the need to make these points clear to Cairo was evident. (Continued on Page 2)

### I Nixon's Got It

The Las Vegas Israelite congratulates Richard M. Nixon, the next President of the United States.

We pledge 100 per cent support to him and his new administration. We wish him the best of health in mind and body. We pray that God guides him in making the proper judgements. We hope he leads us in peace and prosperity. But no matter what course fate has for us during the next four years, we stand solidly behind you, MR. Nixon. You have all our best.

As for Vice President Hubert H. Humphrey, what can we say?

It was a long hard, uphill stretch run only to be nipped at the wire.

In the vernacular of Las Vegas, the cards were stacked against you from the very start. President Johnson's sudden decision to retire necessitated a hasty determination to seek the Presidency as any Vice President would normally desire. You represented an administration that had reached the height of unpopularity because of involvement in Viet Nam, which brought on two strong contenders for the nomination, Senators Robert Kennedy and Eugene McCarthy; the untimely, ruthless and needless slayings of Dr. Martin Luther King and Sen. Kennedy brought on a wave of antipathy blaming, in a general way, the party in power, the deterioration of parity inside and outside the convention in Chicago, the incessant heckling during the early weeks of campaigning, and finally the neglect of state Democratic leaders to come to your rescue. All these were deterrents in getting you off the ground, Mr. Humphrey.

But it was the only game in town and if you wanted to play, you had to sit out the circumstances. At that time only you and the Israelite had any faith in your chances. But like a thoroughbred, you never flinched. You never faltered. Most important you never once qualified or modified your stand on the principles you have been championing for a lifetime. You, MR. Humphrey, are one man who would

## FIRST JEWISH YOUNGSTER NOW AT ST. JUDE'S RANCH

By Jack Tell  
To the members of the Jewish Faith, who have been supporters of St. Jude's Ranch for Children, we report that a Jewish youngster, the first, is now being cared for at the reputable facility.

We will not disclose the lad's name or the circumstances, and our only purpose in mentioning it at this time to show that no family, no matter what the heritage, is immune from misfortune. It also proves that St. Jude's as stated by its founder

Father Adam is a welcome haven for all races, creeds and religions.

It's that reason enough for all of us to attend the "Nite of Stars" Thursday, November 14 at the Frontier? All the proceeds go to St. Jude's. The price of admission includes dinner and entertainment, and that's where you will get your money's worth (tax deductible of course) if you are seeking value for the price.
