JDC AIDED 2,000 EMERGENCIES

GENEVA -- Thousands of
Jews throughout the world
went without the help they
needed in 1968 as a result
of the series of crises touch-
ed off by the Six-Day War
in Israel, Samuel L. Haber,
Executive Vice-Chairman of
the Joint Distribution Com-
mittee, said here this week.

"Emergencies such as the
migration of over 2,000 Jews
from Poland following a re-
newed outbreak of anti-Se-
mitism and the flight of 4,-
000 Jews Czechoslovakia af-
ter the Soviet invasion have
forced us to divert funds
from ongoing programs,"
Mr. Haber stated. "As a
result, services which bring
life-saving and life-giving
help to children, the aged,
the sick, the desperately
poor and handicapped, have
had to be postponed, cur-
tailed or eliminated."

The JDC leader made his
statement at a press con-
ference following three days
of discussions at the annual
JDC overseas conference
which ended November 1.
The meeting brought to-
gether the directors of JDC
programs in Europe, Israel,
North Africa and Iran,
American communal leaders
and representatives of co-
operating agencies to review
developments in 1968 and
plan the budget for the com-
ing year. The major welfare
agency aiding Jews in need
overseas, the joint Distri-
bution Committee uses

mainly received from the
United Jewish Appeal of A-
merica to aid 250,000 Jews
in 27 countries. Also par-

ticipating in the press con-
ference was Louis D. Hor-
witz of Geneva, JDC Direc-
tor - General.

JET PLANES ? ?

WASHINGTON (WNS) --
Israel's Ambassador to the
United States, Yitzhak Ra-
bin has returned to Wash-
ington from Jerusalem and
begun a series of meetings
on various levels with
American officials on the
possible sale of Phantom
jet fighter-bombers to Is-
rael. But U. S. sources said
that considerable time would
elapse before the negotia-
tions reach a stage requiring
a report by Secretary of
State Dean Rusk to President
Johnson.

rather be right than President. Good luck, whatever your
future plans.

As the nationwide votes were being tallied Tuesday
night, this part time political student (our favorite hobby)
followed with interest as each state went into the Nixon
or Humphrey column, and the apparent reason. The first
on the board, Kentucky, a border state which we refused
to call, went for Nixon. Then came Alabama for Wallace,
followed by three for Nixon, Florida, No. Carolina and
Indiana. We had called all three for Humphrey. Frankly,
Florida was a disappointment. We had chosen it because
of the large number of retired persons who depended on
Medicare and Social Security. We believed the other two
would go Democratic because of the strong races of that
parties candidates for senator and governor, all of whom
won.

Next came Connecticut and West Virginia for Hum-
phrey, as we had predicted. Kansas, Georgia and Vermont

went Nixon, Wallace and Nixon, as expected. Next to be
chalked up was Massachusetts (H), Oklahoma (N), Michi-
gan (H) and Mississippi (W), all in line with Israelite's
calculations. We were wrong about Virginia, which went
Nixon, but we called for next four, which included MIN-
NESOTA, HHH's home state. And so it went. We spotted
New York and Rhode Island, but blew Iowa, which we'd
chosen because of Demo's Gov. Harold E. Hughes, who
was reelected. We held our own, kind of, through the wee
hours, when the race narrowed down to New Jersey, Cali-
fornia and Illinois, all of which we had tabbed as too close
to call. They were all squeakers, and all went to Nixon.
That was the horse race.

It's all over. Nixon got the most votes and the voters
are always right. So we repeat: Let's all be patriotic
L'il Abners and give all our support to our new President.
He need us and we need him. Brother, do we need him -
TO DO THE RIGHT THINGS.
