INSTANT TRIM

is an exclusive formula, long used in leading European health resorts, which does not rely on rigid diets, strenuous exercise, or pills to shape a lovelier you. Our highly trained personnel apply glamour tapes, saturated with the exclusive INSTANT-TRIM Formula to any area requiring a livelier line from the ankle up to the chin. Immediately the tapes go to work and coax off the inches while you read, chat, watch TV or just relax. After sixty minutes, the tapes are removed and your skin responds with a feeling of baby-soft smoothness and you emerge refreshed, vibrant and inches lighter with a re-dimensional new figure. You can permanently control and maintain your new figure with a toning and stabilizing program designed especially for you with our patented, easy to use equipment.
