proposed \$40 million gallons of desalted water daily and produce between 200 and 300 megawatts of electric power. The choice of fuel for the facility which would supply about five percent of Israel's needs -- either nuclear or conventional -- was left to the Israeli Government.

The Prime Minister called Mr. Johnson "one of the righteous men of the world" and said after the Six-Day War the President "laid down the effort to achieve permanent peace in the Middle East as the foundation of his country's policy. When peace comes, and I am convinced it will come," Mr. Eshkol said, "President Johnson's historic contribution will be appreciated."

(In Tel Aviv, it was disclosed that West Germany had made a gift of \$500 million worth of arms to Israel. There was no elaboration on the arms involved or when the gift was made.)

(Israel's appreciation of the gift was evidenced when the state-owned radio broadcast its first German language play, substituting "Andorra," and anti-Nazi piece by Max Frisch, for the previously scheduled program. The move may mean the end of the ban on broadcasting German language satire and songs in existence since Israel was established. Brief German language passages have been broadcast from time to time.)

**Aquarian Age Astrology**

By SWAMI SIVANANDA  
An Israelite Special

Astrology at its profoundest is pure psycho-analysis, penetrating philosophic-religious inquiry, supreme spiritual aspiration. Most people are not aware of this. What most people are aware of is the late movie, supper and stock returns. Most people are in trouble. Astrology can help. Its been around for 50,000 years. Anything that old can't be all bad.
