Astrology and Yoga are sister sciences. Astrology is the science of observing human nature and natural phenomena, and comprehending them in the context of cosmic congruity. Yoga is the melting of human consciousness in Cosmic Consciousness. To most people astrology is two lines of generalization in the newspaper, and yoga is standing on your head. The following is the former, while doing the latter.

Aries Reason, Insight loss brings understanding and transformation.

Taurus - Intuition, Hearing a new insight into pleasure.

Gemini Discrimination, Smell be unscrupulously honest in thought processes.

Cancer Receptivity - Will, Speech creativity awaits expression

Leo Suggestions, Digestion excellent time for ideas

and their expression.

Virgo Response, Touch steady application creates reward.

Libra Equilibration, Action Work Study exaggerated ideas, maintain ideal.

Scorpio Transformation, motion disillusionment contains rebirth.

Sagittarius Verification, Wrath the world hungers for truth and beauty.

Capricorn Bondage, Mirth ambition realized and exposed.

Aguaries Revelation, Meditation a time for unconditioned expression.

Pisces Organization, Sleep cultivate emotional stability.
