### SYRIAN BRASS WANT ACTION

JERUSALEM (WSN) -- The military wing of the leftist Baath Party has taken control of the Syrian Government in an inter-party showdown with the non military leaders of the country headed by President and party Secretary General Nureddin al-Attassi and party assistant Secretary General, Major General Salah Jadid. The Syrian Government, the most unstable in the Middle East, is now controlled by Defense Minister, Lieut. Hafezal-Assad, supported by Maj. Gen. Mustafa Tlas, the Chief of Staff and First Deputy Defense Minister.

The new leaders reportedly want more fighting and less talking with Israel, less reliance on Syria's major arms supplier, the Soviet

Union and a purge of all Communists in the Government.

### MORE HANGINGS

JERUSALEM (WSN) -- Foreign Ministry officials have independently confirmed a report at the United Nations that Iraq has condemned seven persons, including two or three Jews, as Israeli and "imperialistic" spies.

### Gets 3rd Freedoms Foundation Award

The Freedoms Foundation at Valley Forge has announced that Nevada Supreme Court Justice John Mowbray was awarded G. Washington Medal of Honor for a speech he gave before the Rotary Club of Reno, entitled "Law and Order." In his speech, Justice Mowbray said: "That we must reawaken

in every citizen a fierce devotion to supremacy of law and equal justice;

"That we must forever renounce the idiosyncrasy that associates glamour and heroism with law breakers;

"That ALL criminals must be brought to the bar of justice for realistic handling, not merely maudlin

sympathy.

"That we must insure by every lawful means that differences are resolved in the courtroom, not in the street;

"That we must adamantly insist that each individual is held responsible for the natural and probable consequences of his acts.

"Let the hoodlum, the racist, the demagogue, and the exponent of anarchy know that the great, quiet power of this nation lies in her law-abiding citizens. And they will stomach no more. The choice is ours. The time is now."

This is the third recognition Justice Mowbray has received from Freedoms Foundation. In 1962 he was given a Certificate of Recognition for a talk delivered before a meeting of the Real Estate Brokers of Nevada, Arizona, and Utah, entitled "Communism on our Doorstep." And again in 1964 he was awarded the George Washington medal of honor for a series of public addresses delivered to the officers and men of Nellis Air Force Base, entitled, "The Challenge of the Hour."

### Kentucky Derby Winner?

FINISH OF THE KENTUCKY DERBY ON MAY 3

Horse players are a peculiar breed.

Unlike craps shooters or card fiends who depend on the chance of a roll of dice or a lucky hand, horse players base their gambling fortune on handicapping skill, mostly, plus information gleaned from any source, from a trainer to a bootblack. Yes, indeed, a horse player is no sucker in the gambling jungle. He's got reason, and logic
