the cause.

These days are crucial and critical, and all Jews must act as one to overcome the scheming of a ruthless and unscrupulous enemy. No American Jew can stand by silently and unconcernedly. We have but to remember Mordecai's words to Esther. The problems facing Israel are our problems, but make no mistake, Israel will live. The question is only whether you, as Jews, will seek to "escape" in the "safe" atmosphere of your home, or if you will voluntarily step forward to do your share and more, to help. Israel's only request for help is a financial one! Money is needed desperately for programs of defense and for the rehabilitation of the thousands of refugees who continue to come into the land each and every year. In Mordecai's words, we could say, "...and who knows whether you were chosen to be safe and secure in the United States for just such a time as this."

Very shortly now the annual Las Vegas Combined Jewish Appeal will be held. The campaign takes place during April and May and culminates in a victory dinner evening which has become a highlight in the life of our community. We hope that you will step forward and offer not only of your money, but of your personal help to solicit others, to see that every person who appreciates his liberty is given an opportunity to secure the liberty of our brethren in Israel.

When the appeal comes, I will respond readily and with more than ever before. I sincerely hope that each of you will do the same. There must be an overwhelming response to the Regular Campaign and to the Emergency Campaign, for until there is a positive peace, our efforts must continue to be at a maximum. I cannot help but feel that you and I were the ones fated to live here in the United States, "for just such a time as this."

**GUEST SPEAKER AT TEMPLE TUES.**

An outstanding program will be presented at Temple Beth Shalom by its Adult Education Committee, on Tuesday evening, March 18, 1969.

Guest speaker will be Dr. David Winston, distinguished Professor of Judaic Studies at the University of California at Berkeley. He has appeared at the Temple on several occasions in the past, and each time has been received with great enthusiasm by appreciative audiences.

Dr. Winston, a graduate of the Yeshiva University, received his Rabbinic ordination at the Jewish Theological Seminary in 1955 and his P.H.D. degree at Columbia University in 1956. He has served as a member of the staff of the University of Judaism in Los Angeles, and is the author and editor of many Publications and articles.

**NIXON STATEMENT WELCOMED**

WASHINGTON, -- President Nixon's statement on the Middle East was welcomed by the head of the American Jewish Congress, who warned however that "merely cooling off the problem is no substitute for a just and lasting peace arrived at by the parties themselves."

Rabbi Arthur J. Lelyveld of Cleveland said the President's "assurances" were "especially encouraging in the light of earlier fears that international diplomacy was

preparing Israel for the sacrifice.

"When the President said there would be no Yalta as a result of his European trip, he also relieved us of a portion of our worry that there might be a latter-day Munich," he told the national biennial convention of the American Jewish Congress Women's Division.

"When he (Nixon) made clear that the Big Four could not dictate a solution but must rather prepare to guarantee a settlement arrived at by the parties themselves, he spoke to the heart of our concern."
