

## Nixon Shows a Hand

Mr. Nixon has ruled that the United States will go ahead with the proposed anti-ballistic missile system. His modifications and rationalizations, to the tune of seven to eight billion dollars, fly in the face of expert and some Senatorial rejection of the need for such a system.

It is clear that the Presidential decision appears to soothe the doves and satisfy the Hawks. It is also obvious that this is a big boondoggle for the Military - Industrial Complex, against which General Eisenhower warned the American people. There is another inherent danger in this decision. It augurs the same kind of concern for the oil interests in the United States. If so, we can anticipate that Mr. Nixon will try to work out a formula which will soothe the friends of Israel and satisfy the Hawks. Unfortunately, here there is only one solution to peace in the Middle East. A face to face confrontation. Anything less will be a deal, maybe not quite Munich-style, but close enough to carry away with it the same stench.

### REDS FOR TERROR

UNITED NATIONS (WSN) Israel's Ambassador to the United Nations, Yosef Tekoah, charges in a letter to the Security Council that the Soviet Government has approved the Arab terrorism directed against Israeli citizens. He cited an article

by Tass, the official Soviet news agency in which the news service said "the struggle of peoples against invaders and occupiers is justified and legitimate from the point of view of international law. The longer the Israel forces remain in occupied territories, the stronger and more extensive

will be the Arabs' struggle for liberation become."

In his letter, Mr. Tekoah noted that "instead of heeding the Secretary-General's call to all governments to take all possible measures to prevent repetition of these acts, the Soviet organ glamorizes them and in fact calls for more."

### JWV SEDER HAPPY

Jewish War Veteran Posts and Auxiliaries throughout Los Angeles and the Region will participate in the Seders which the Veteran Administration will be holding April 2 and 3, 1969, in local VA hospitals, it was announced today by Victor Soriano, LADC Commander, Joseph Ross, Department of California Commander; Mrs. David (Annette Weiss, Department President; Jack Halperin, Phoenix, Department of Southwest Commander; and William Lieberman, El Paso, Regional Commander,

Many Posts have also sent special Passover packages to units of the armed services overseas to supplement the shipments which the JEWISH Welfare Board sends to Chaplains throughout the world.

The Regional office of the JWV has also sent to the Posts in the 6th Region the "Matzo of Hope" prayer statement for inclusion in local and private home seders. This statement, part of the American Jewish community's campaign to alleviate the plight of Soviet Jewry, has already brought results in that more matzos will be available this year in Russia.
