DIAHANN CARROLL OPENS IN SANDS COPA ROOM

One of TV's most successful stars this season will be presented by producer Jack Entratter in the new Sands Copa Room show in "An Evening With Diahann Carroll" opening Wednesday, May 14th for a four week engagement.

Diahann is on the move. In the course of her ever-expanding career, she has conquered the entertainment world and has now reached the point where the singer-actress is very much in demand. Diahann has re-arranged her busy schedule to

make this special Sands appearance. This is Diahann's 5th appearance since joining the Sands family of stars and her 1st engagement since she started her smash NBC-TV series "Julia".

Featured on the bill with Diahann will be the explosive comedy team of Jerry Stiller and Anne Meara - making their Sands debut. Stiller and Meara write all their own material and trade heavily on Jerry's Jewish and Anne's Irish-Catholic marriage for gags. Their sketches come from their

own lives and from the American way of life. Although they may go together like Hot Pastrami on white bread. They appeal to everyone's taste.

Following Diahann in the Copa Room will be an ole Sands favorite Red Skelton opening June 11th.
