The program of continuous Fun starts with Lauri Perri (she's Blackie's - a real Characters wife) besides belting out an extra nice tune she has a plus-she is very pretty. Then we were pleasantly exposed to King

Henry and his Soul Show. This was a Fun-Fun-Funny experience all the way. Beware of Jackie Gaughan who insists that everyone try his good food. Don't listen to Jackie because his good food does make your waist get

larger. I have to admit that my trip to the El Cortez was a distinct pleasure.

Last Thursday's Saints and Sinners meeting was a disappointment. Only 21 members showed up as compared to 264 in April 1963.

As usual I am still WEAK for girls - SO - next week I'm going to be a girl watcher and Kover as many girls as I can. Marty Kane says I have to get a hunting license. Sheila Goodman, who just won a beauty contest at a poker table playing against 7 guys looked at my waistline and said Fat Chance. I would say wait until next week when Kirschner Kovers Kabarets again.
