 authentic that you can't drink the water. Coupled with sound-effecters Skiles and Hendersen, Trini's a treat.

Paul Anka and Myron Cohen at the Flamingo -- Diana and Dianew.....

Pres. Nixon's bypassing of a Jewish jurist for the Supreme Court ends a continuous thread of over half a century. The unofficial "Jewish Seat" has contributed the wisdom of Justices Brandeis (1916-39), Cardozo (1932-38), Frankfurter (1939-62), Goldberg (1962-66) and Fortas (1967-69). The latter brought us the landmark Gedeon decision entitling every accused person the right to a lawyer.

Didja catch Newsweek's cover story last edition? Superb expose of Madison Ave's triumphs and failures

--- must reading for all rising stars of any vocation, proving the top of the ladder is one mis-step from the bottom.

Most columnists tend to overlook Casino Center, downtown. Equal time -- so here goes: El Cortez (King Henry Soul Show, The Good People, Bill Kane); Four Queens (The 4 Queens, Donna Murphy); Gay 90's (Burlesque Queens, Topless Dancers); Golden Nugget (Eddie Dean, Dave Burley, Chris Christiansen); Mint (Suzi Arden, Weela Galley, The Expressions).

The Hacienda's Clara Ward Singers and Hank Henry continue to pack 'em in. The Showboat features Harry Wham plus Palmer and Layne.

Up in NLV the Malibus headline at the Silver Nugget. And of course the Silver Slipper's Wonderful World of Burlesque isn't far behind,

with the bare facts.

Major Kaye's our town's leading fund raiser -- snaring loot for a \$1,000,000 rest and recreation facility for Israel's courageous men and women soldiers. At a film showing last week at Caesars Palace a non-Jewish tourist saw the Israelite headline story in the lobby, wandered in and donated \$500 to 21-year-young Israel's fight to survive. Waddaman!

Didja know Israel's air force, acclaimed for brilliance in the 1967, 6-day war, came to LV's Nellis AFB to instruct OUR airmen in their unique tactics? Guess that's foreign aid -- in reverse!

Sen. Chec Hecht reports

there are no draft card burners in Israel. The reason: at age 18 every man AND WOMAN gladly serves in the armed forces. Conclusion: draft women here, and watch enlistments grow!

Bryn Armstrong isn't the only newsman boosting ex-governor Grant Sawyer back to Carson City -- or maybe Washington ????? Sawyer served eight years and was nationally acclaimed as a brilliant visionary. A secret Republican - financed poll just revealed Democrat Sawyer's still very popular in the Silver State -- a tribute to a dedicated public servant. We hope he finds private legal practice boring, and soon returns to public life.

Our town's changed in the last decade: Lounges are no longer a poor man's night on the town. Courtesy among car hops and dealers is fading. Bosses and bormen are nervous and sour - faced. Owners hire cost accountants to cut extras -- while cutting customers. Every department is now designed for profit. Kids abound as never before, in station wagons bearing plates from every state. Black check players are getting rare. Faceless, impersonal conglomerates own half the town, lacking old-time charm and personality. Quality and intimacy give way each year to speed, volume and computerization.

Jackie Vernon at the Aladdin quips: "I have trouble

being liked. Late Carnegie hit me in the mouth," and "I was arrested New Year's Eve on 42nd and Broadway.. for loitering." "I told my analyst I was getting schitzophrenic. That makes four of us," he replied. Mr. Dull Guy has a droll, subtle delivery, unique in the business. "I'm a 3-pack-a-day smoker since I was twelve, and there's not a thing wrong with my lung." And we'll close this week with "Hey fella -- you have any nude pictures of your wife?" "No, of course not." "Well, wanna buy some?"

Can't get her out of my mind: Sweet Charity's Shirley McClain who'll live hopefully everafter.

That's TELLIN' 'em!
