

EL AL STATE MEDAL DESIGNED BY BEN SHAHN.

New York, New York. --- "Marking the 20th anniversary of El Al, Israel's National Airline, the Israel Government Coins and Medals Corporation struck a new State Medal. Designed by the late American artist, Ben Shahn, the medal symbolizes the air link and spiritual bond between Israel and the Diaspora," announced Mr. Ephraim Levy, Director for North America, Coins and Medal Department of the Government of Israel.

On the obverse is a dove with wings outspread. Around it is the Hebrew inscription, "Bring back my sons from far and my daughters from the end of the earth." The English version fills the upper field except for a triangle where the Hebrew letters of El Al are engraved. The interest of Ben Shahn in calligraphy appears on the reverse which is covered with freely-drawn Hebrew letters. Brilliant control of

the space within the circle is achieved by a composition that pivots around the Aleph. The El Al medal was minted in Jerusalem. Information about the new El Al Medal as

well as all the other Israel coins and medals can be obtained from the Office of the Director, Coins and Medals Department, Government of Israel, 850-3rd Avenue, New York, New York 10022.
