

**U. S. NAZIS MEET**

WASHINGTON (WNS) --- North American Nazis held the first North American Congress of the World Union of National Socialists at Arlington, Va., and claimed that 127 delegates from 28 states and Canadian provinces attended.

The Nazis in a policy statement pledged the "spiritual and political unification of North America from the Arctic to the Rio Grande in a National Socialist New Order to serve as a base for the construction of a greater Aryan community throughout the world." They commemorated the 50th anniversary

of Hitler's founding of the Nazi Party and viewed German Nazi films.

**1,000 SORTIES**

TEL AVIV (WNS) -- Israeli Chief of Staff Maj. Gen. Haim Bar Lev disclosed that the Air Force has carried out nearly 1,000 sorties over Egyptian territory since July 20. In an article in Bama-hane, the Israeli armed forces weekly, Gen. Bar Lev said the aerial action -- unopposed for the most part by the Egyptian Air Force -- has apparently convinced Cairo that the nation is not prepared for large scale warfare. The flights have also helped limit Egyptian mi-

litary activity along the Suez Canal front.

**CASALS IN ISRAEL**

The master of world cellists, Pablo Casals, arrived in Israel last week accompanied by Mrs. Casals, to conduct his oratorio "El Pesebre" at the Israel Festival in Jerusalem.

The 94-year-old musician, who took the opportunity for a pilgrimage to the Holy Places in Jerusalem, was greeted by Tourism Minister Moshe Kol.

Israel is the only place where Casals still makes music, apart from Puerto Rico, which has been his home since he left Spain in

protest against Franco's regime.

Casals' oratorio, whose theme is peace, is written in Spanish and will be performed in English by the Kibbutz Hame'uhad choir.

**A LITTLE SHORT**

BONN (WNS) -- The neo-Nazi National Democratic Party opened its election campaign in Germany amidst

HAPPY NEW YEAR indication that the party faced financial difficulties and that West German leaders do not consider the group an internal threat to the nation.

While the party has not released any financial figures, newspapers have reported it is short of funds and that it must put up bonds of up to \$125,000 as insurance against damage before it can rent meeting halls for election rallies.
