THE BEST IN ME TO YOU

He Did It His Way

"Regrets, I've had a few . . . I did what I had to do... the record shows,....I took the blows,....I DID IT MY WAY....."

You hear notes no one else sings. He's magic, he's electric, he's Frank. His "Fly Me To The Moon" -- replete with color slides of Armstrong's first moon-

Cotton Club in Vegas

NICHOLAS BROTHERS

There's a miniature version of one of those never-to-be-forgotten Cotton Club shows at the Castaways but the entertainment value hasn't varied an iota. Negro rhythm never needed quantity.

Here it is a quarter of a century later and although the jam-packed house on the Strip was amply populated with

### LIBYA RECOGNIZES JEWS

TEL AVIV (WNS) -- Israeli jets continued to roam freely through the skies of the Middle East as they carried our almost daily attacks on Arab forces arrayed along the Egyptian and Jordanian fronts.

While regular Arab army forces remained inactive, guerrilla groups continued their terrorism and killed an Israeli woman and injured 17 Arabs and Jews in a handgranade attack in the Gaza marketplace. A number of suspects were detained for

questioning.

Israeli jets have been returning on an almost daily basis to the Egyptian gulf of Suez coastline where ground forces carried out a 10-hour assault earlier this month. The planes have been used to hit guerrilla groups which have been shelling border settlements and ambushing patrols.

Military spokesmen reported that no Israeli jets have been lost in these raids. The only air casualty was one

### ARAB TERRORISTS KILL WOMAN

ROME (WNS) -- Italian newspapers have reported

that the new Libyan regime has declared it will follow an independent course in the Arab world and will treat the Jewish citizens on an equal basis with all other citizens.

Italian journalists have quoted a spokesman for the military junta that deposed King Idris as saying that Libya stands aloof from Nasserism or Baathism (the left-wing socialist regimes that govern in Syria and Iraq) and would resent a "paternalism" on the part of any Arab leader.

Dr. Haamound el-Naghra-bi, Libya's new 34-year-old Premier, was reported to be a Palestinian who was educated in Syria and the United States and was jailed and deprived of his Libyan nationality because he led the petroloum workers.

### NEO NAZIS GETTING HEAVE-HO

BONN (WNS) -- A growing number of incidents of violence involving the neo-Nazi National Democratic party (NPD) has resulted in greater demands from moderate and left-wing political elements for the banning of the right-wing party.

Demands for the banning of the NPD come amidst reports from West Germany poll takers that the party would not obtain the five percent vote in the Sept. 28 elections necessary to win representation in the Bundestag, West Germany's Parliament.

This prediction was opposed to the views of many of the nation's highranking politicians who had told Philip M. Klutznik, a former president of the B'nai B'rith, that the NPD would win seats

in the election. The most recent violence involved the shooting of two youths who were part of a demonstration in Kessel against Mr. von Thadden. The wounded men were shot while they were demonstrating outside the home of Wer-
