## KIRSCHNER COVERS ABARETS BY AL KIRSCHNER

To-day is the first day of the rest of your life. This was Harvey Firestone Jr.'s proverb for his success in life. Forget the past. Forget the drop in the Dow Jones averages. Forget the increase in taxes. Forget all the troubles of the past. Lets start a new life today.

Rose and Sam Rich are leaving for Europe on October 3rd. No he didn't have to leave town, they both are going to enjoy a well deserved vacation. Sam can't understand why the Federal government don't start using asbestos draft cards so that our kids can't burn them.

We were so busy watching the baseball and football games last week end that we almost neglected to watch another famous sport, Sinatra Sr. His team of Greco, Handelman and Henry make his a good act. It looks like vaudeville is coming back at the Palace. It was no nos-

talgie that I actually hoped he would add a juggling act so that I would think we were in the New York Palace so many years ago. If you can get in, see this great trip down memory lane.

Night and Day airconditioning man Abe Rasnik is entertaining my old friend Phil Cohns' wife Ida. She is having a ball. She admits we have any part of the east beat when it comes to shows. She also admits that its a pleasure to read the paper here in the morning without being told about muggings. Oh yes she also says our streets are cleaner.

Come along with me on a happy trip to the fun spots in Las Vegas. For the first stop I would suggest Peggy Lee at the Landmark. This girl sings like no one else. I would call her the sultry jazz singer. Her song "Fever" is still a classic and her other songs keeps you

glued to your seats. Don't miss Peggy Lee. Funny man Charlie Callas rounds out a beautiful two hours of fun.

Its a shame that Tom Jones at the Desert Inn closes before the end of the month. This is one of the most entertaining bits of fun this town has ever offered. Please catch it before it closes. Come back soon. I have seen it three times and will see them again when they return. This is also true of the pleasurable DoodleTown Pipers at the Frontier. They also close the end of this month. Fortunately they are replaced by the men and women's delight Vic Damone on October 2nd. Hey, don't miss Phyllis and Bobby Sherwood at the El Cortez. The V.I.P. Lounge is crowded now that they are there.

I have to tell you what Smarty Marty Kane said the other night while we acted as real rounders during the time our wives were out of town. After the 20th Scotch I pleaded with him to take a taxi home. He started to cry and said "Its no use she won't let me keep it in the house."

Everybody should see the Cotton Club Revue at the Castaways, this is a very well executed musical. It is

LARRY ALAN AND MIKE SHANE, THE COUNTRY'S NEWEST LAUGH SENSATIONS, ARE PRESENTED IN THE COMEDY PORTION OF THE DESERT INN'S MILLION DOLLAR PRODUCTION OF "PZAZZ '70." THE SUPERSPECTACULAR IS NOW IN ITS 12th RECORD-SMASHING WEEK IN THE HOTEL'S ELEGANT CRYSTAL ROOM.

a mixture of the old and the new sounds and is loaded with talent. We have never before seen this room so crowded.

My Miriam was delighted with her vacation with branches of my family in Dallas. My two nephews, Dr. Berk and Dr. Bookkatz urged her to talk me into moving to their city. One of the main argumens towards a migration to Dallas was that I could get sick free of charge.

Burlesque at the Aladdin and the Silver Slipper still pack them in - even the women seem to enjoy the fast moving pace and the comedy blackouts. The Hacienda burlesque isn't as large as either as these aforementioned but the antics of Hank Henry and his assistants are

The Bob Hope Special on T.V. last Monday night was

a real stiff despite all the help he got from 20 comedians. Perhaps it was because it followed the fast funny Laugh In. I am sure Mr. Hope will get his writers to come up with better material next time.

Lenny the Delly man in Somerset Market has the same answer to all the ladies who ask him if the white fish are fresh. He tells them that they are so fresh they are positively insulting.

Nick Kelly's buddy Augie Guerriero from Booklyn was in town and he flipped when he saw the Casino De Paris show at the Dunes. He said he was so busy seeing the shows in town he almost forgot to gamble. His wife Mary loved Tony Martin as did the other ladies in their party. With the obvious shortage of talent I don't see why Tony
