

Dear Mr. Tell,  
My compliments on your good judgment in selecting Mr. and Mrs. William Weinberger to be the man and woman of the year.

A long time ago I was one of the rabbis in the congregation to which Bill and Jean belonged. They inspired me.

My compliments to them on this new distinction they have attained. May they continue to be granted the stamina for their precious labors.

To you and your family,

This past summer we spent one week's vacation in Las Vegas for the first time. We absolutely adored every-

While there, we purchased a copy of the Las Vegas Israelite and enjoyed it so much we would like to receive it here at home.

## NAACP RIPS INTO PRES. NIXON

NEW YORK (WNS) -- The National Association for the Advancement of Colored People cited the "refusal" of President Nixon to name

a Jew to the Supreme Court as one of the factors for its opposition to the appointment of Federal Judge Clement F. Haynesworth, Jr., to the post vacated by former Justice Abe Fortas. The group also objected to his record in the fields of civil rights and labor affairs.

The NAACP board of directors noted the contributions made by American Jews to the nation and cited the role that Justice Brandeis, Cardozo, Frankfurter, Goldberg and Fortas have played on the Court. "It was a sad blow to the aspirations of all Americans for full participation of all people in the affairs of Government when the President of the United States failed to appoint a Jewish American as he filled not only one but two vacancies in the last three months," the NAACP said.

"We fear, or at least we suspect, that this cavalier treatment of a group of persons who have been in the forefront of the fight for protection of the rights of all Americans is thought to be justified because, after too long a denial, a Negro American has been appointed to the Supreme Court of the United States," the NAACP said. "If this be the political reason, we refuse to accept it. We refuse to permit such cynical political reason, we refuse to accept it. We refuse to permit such cynical politics to require us to compete with our fellow defenders of the rights of all

people for a place on the Supreme Court of the United States."

## BRITAIN AIDS JORDAN

JERUSALEM (WNS) --- Defense Minister Moshe Dayan has told the Knesset that Britain was providing Jordan with a considerable quantity of Tigercat ground-to-air missiles. The Missiles, a small and highly maneuverable rocket that can be launched from mobile trailers and has a range of about 20,000 feet, could be operational by the time Israel gets American-made F-4 Phantom jets. Jordan reportedly sought the missiles to guard airfields against the lightning raid launched by Israel during the Six-Day War.

## KANE IS ELECTED

WASHINGTON (WNS) Irving Kane of Cleveland, former president of the Council of Jewish Federations and Welfare Funds, has been elected co-chairman of the American-Israel Public Affairs Committee.
