He's shopping around for a diamond "bargain," but shopping for "price" alone isn't the wise way to find one. It takes a skilled professional and scientific instruments to judge the more important price determining factors—Cutting, Color and Clarity. As an AGS jeweler, you can rely on our gemological training and ethics to properly advise you on your next important diamond purchase. Stop in soon and see our fine selection of gems she will be proud to wear.
