Local Louis Prima at the Sands is a must says Jackie Heller. Eve and Ben Zolotuchin reported that not only did they have a thrilling evening, but that host Jackie saw to it that they were treated like the Sands likes local people. Ben has a silly story he tells about the customer who complained to the department store that the pants he bought were supposed to be all wool but when he got them home he saw a label inside that said 100% cotton. The complaint department explained that the cotton label was put in just to fool the moths.

When I ran into Gibby Weiss, operator of Mannis Furs, at the International and Caesars Palace he told me that his son Stevie balked at eating his spinach even if it makes strong teeth. The little genius said "Lets give it to Grandpa Sam". I think the kid has a good idea. Sam and I both are reaching the top of the hill.

Sol Wolf doesn't have to leave town yet. The stock tip he gave me on Susqueehan Corp. Pref. went up from 16 to 17. We are still watching it and as soon as it goes back to the 80 it was last year we will sell our 10

two girls didn't look too kosher to me. Besides his lovely Rita, my niece, and my wife were with us so we just enjoyed NUDES IN THE NIGHT and had fun. I know that my nutty buddy, SherreI Dacey had something to do with this Circus Circus Bash Bash. All I can tell you is bring the kids for good daytime fun. Then get a baby sitter for yor little ones and go to see the Nudiest Nudes in The Night. Editor Tell tells me that I have a habit of leaning towards pretty girls. Well Tell, despite the old adage that a man's best friend is a dog, I'll still take girls.

The names of the young music groups are disturbing. We must assume that our youth can read. Names like Stark Naked and the Car Thieves is certainly not a good influence for law and order.

That Stanley Malin at Circus Circus really throws a nice party. The prizes were fantastic. This first birthday party, which is still continuing, gave us added fun because the entertainment never stops. Rabbi Norman Pauker pointed out a couple of likely converts. But these

shares. Please don't miss Rusty Warren. This young lady makes Flamingo come alive. Her repertoire includes a pretty face, funny half-bawdy stories and a very, very wonderful way of singing her songs. We enjoyed her so why shouldn't you?

That Joy Hamann is just too much. She couldn't take me to Hawaii this weekend to watch a football game. I imagine Joy with the Beach Boys having a ball (football that is) and soaking up the beautiful sunshine on the beach. I hope she remembers to bring back a Lei for me. Aloha.

Caught the opening of the new Steve Rossi and Slappy White combo at Caesars. These two gents were excellent before, but now they are magnificent. We never laughed more. It is a wonderful blending of talent. This reporter predicts that Rossi and White will go very far. As a matter of fact the audience didn't want them to leave the stage. Eddie Fisher, the star of the show, had the people hoping he would never stop singing. Eddie is great. He warmed up the audience by making them feel at home. As the ladies in the audience told me later "He is beautiful". It looks like Dave Victorson did it again with another hit on his hands.

This Nate Samuels has to be a nut. When I asked if it was true that his wife ran away with the chauffeur he replied: "I was going to fire him anyway. He was a lousy driver."
