ROSEMARY RETURNS TO TROP, BLUE ROOM

Rosemary Clooney returns to the Blue Room of Hotel Tropicana Friday, November 7, in a special, two-week engagement.

The lovely lady from Maysville, Ky., whose vocal house records helped her set records in the nation's ma-

for supperclubs, is making her third Tropicana appearance this year.

It was, of course, "Come On - A - My - House" that rocketed Rosemary into the million-selling record bracket and it was "This Ole House" that kept her there.

With 16 million record sales and testimonials from the world's other fine entertainers, Rosemary will be featured at the Tropicana with comic Allan Kent also on the bill, while rounding out Blue Room talent is the Page Cavanaugh Trio.

Meantime, in the Tropicana Theatre Restaurant, the spectacular Folies Bergere -- now in its 11th year -- continues drawing capacity crowds.
