"Oy Vey-Gas"
(Cont. from Page 4)

Recent Nixon blunders: a) nominating a southern bigot to the Supreme Court; b) his "peace plan" which is merely a "victory is a must" continuation of an unjust, illegal & undeclared war; c) his request to the Supreme Court to stall integration (which they declined, insisting on immediate compliance with civil rights laws). Those "law & order" hysterical super-patriots should notice that, when our President felt a law was wrong, he attempted to break it! Is anyone really surprised at the job our leader is doing?Nixon just doesn't have the capacity to be President or inspire brilliant minds to government service, as did JFK.

The following statement was delivered by a former politician: "The streets of our country are in turmoil. The universities are filled with students rebelling & rioting. Communists are seeking to destroy our country. Russia is threatening us with her might, and the Republic is in danger. Yes danger from within and without. We need law and order! Yes, without law and order our nation cannot survive.....Elect us and we shall restore law and order. We shall by law and order be respected among the nations of the world. Without law and order our Republic shall fall."

—(excerpt from a campaign speech made in Hamburg in 1933 by Adolph Hitler.)

Let's be more concerned with justice and equality than "law and order".....Ted Kennedy is warming up for his 1970 re-election campaign for Mass. Senator. He hopes to top his amazing 1.2 million vote plurality in 1964.....

Bill Kaercher, Pres. of the Downtown Optimist Club, is LV's most honest & capable insurance man.....Adam Clayton Powell used to greet LBJ over the phone with,

Times, "the paper of record".....Dr. Youngblood, LV's famed oral surgeon, is more than dedicated, able & sensitive. He's also a "mench".....In 7 years of high school & college basketball, Lew Alcindor lead his teams to 184 wins, 3 defeats....

Don Digilio's column, "One More Time", a take-off on Jimmy Cannon's annual trip through yesteryear, was soooo sentimental. Like his asking to see Sinatra - Martin-Davis & Co. at the Sands, "Just one more time."..... Glenn Cambell was once Jimmy Roger's guitar player.... Jim Garrison's re-election as DA in New Orleans proves that some people prefer tyrants, con men & character assassins over rational public servants.....Three Americans drove a 1954 VW 400 miles touring the Mekong Delta in So. Viet Nam. They were never shot at....Some major mutual funds are reducing their cash positions, buying in, while others are still waiting for "hard" evidence of brighter times.....

Attn: Attorneys: The ISRAELITE can accept your LEGAL NOTICES.....A woman in LV recently died undergoing a "backroom" or "illegal" abortion. In our opinion, all the State's laws controlling the conduct of our personal lives are archaic & repressive. In this abortion death, the State, in addition to the abortionist, is guilty of murder -- in the first degree.....Pirate Great Ralph Kiner jumped onstage at CP to join the Mets last Monday night.....Our Husky-Retriever, "Malador", was one year young Nov. 15th.....KTOO Radio's new soul sound is a big hit. Kudos to station manager Cy Newman.....That Barton's candy at the Dunes, is a must.....

Rusty Warren, in addition to being LV's "shoot from the lip" comedienne, is Pres. of Marquis Enterprises with interests in land, music & book production, records, etc... The NY Times "airbrushes" out genitals of dogs & cleavage of buxom women in photographs.....That's TELLin'em!.....
