

# OF THE STARS'

he asked a patient's wife whether the medicine he prescribed straightened out her husband? Mrs. X said: "Certainly, we buried him yesterday."

When this overweight sword swallower went to see his doctor he was politely advised to eat only knives and forks for a few weeks.

That party at Line Renaud's house was just too much. We visited with Gerry Appleby, Ann Valdi, Ralph Petillo, Mela Sheppard, Jack Tell, Gus Guiffre, Joe Delaney, Mustache Joe, Forrest Duke and many many representatives from the press and showbiz. The press people all showed up with respective spouses and we must admit that Line throws a heck of a party. The best news of course is that Line's *Flesh '70* is opening in Caesars on January 34d, 1970. Judging from *Flesh* that we have seen and admired before we know that you and I will love the upcoming year's version still more.

Rabbi Norman Pauker asked a 6 year old kid "How high can you count?" This Las Vegas smart alec said: "123456789 10JQK". My nephew Norman better come up with a better story next

week or we'll turn to Father Toomey.

Just found out that my neighbor Sol Wolf was extremely polite to his wife. When the morning coffee was bad he threw the cup at her, but he did remove the spoon.

Just turned down two orders for the reproductions of the OLD MASTERS THAT ARE ON DISPLAY AT MY MASTER FURRIER SHOP. Why did I turn them down? First I am only displaying them because we like nice things, and then we are not in the business of selling

anything but fine furs. After the first of the year there is no reason why every nice home should not subject their family and friends to the finer things in life.

Jackie Heller, the Sands Celebrity Room man, just stopped in to tell us that Steve and Edie Gorme are better than ever. Unfortunately this reporter did not get a chance to see them but Frank Robb our Master Spy (and Master Furrier) claims that they are the greatest. He is only repeating what we always say. Class will tell.
